

The Morgan County Fair Association has built a 4-H Patio in front of the 4-H building on the fairgrounds. Memorable and honorary bricks will be used to make this a special place for our fair visitors and 4-H families to enjoy.

Order bricks to remember a special person or honor a volunteer who has devoted their life to 4-H and/or the fair. We encourage 4-H clubs, past Queens and Princesses, families, and businesses to include your name on the patio.

Bricks are available in two sizes.

4"x8" \$75

8"x8" \$150

Please fill out the form below exactly the way you want your brick engraved. The brick can be engraved with 1 or 2 lines, 14 characters on each line. (A space between words or dates counts as one of the 14 characters.)
